## CUSCO – MARAS – MORAY – CUSCO

- **We start with pick-up from your accommodation** within the Historic Center of Cusco or from a designated meeting point around 8 a.m., and head to the Sacred Valley. Our first stop is a short visit to Maras town. Then we continue to Moray, where you'll explore the incredible circular terraces and learn how the Incas experimented with microclimates to improve crops.
- **Afterward, we visit the Maras salt mines**, known for the impressive evaporation ponds built on the mountainside. You'll learn about traditional salt extraction and have time to enjoy the views and buy local salt products or souvenirs made of salt if you wish. After the visits, we return to Cusco – **arriving in the early afternoon around 3 p.m.**
